5. Ribbons at the State Junior Holstein Show will be awarded in ribbon groups. Animals that place first and second in their class shall be named Junior All-Iowa and Reserve Junior All-Iowa.

6. Juniors must show their own animals. Excusing a member from personally exhibiting his or her animal(s) defeats one of the most important objectives of Holstein work. Hence, the Junior Advisory Committee does not approve the use of substitute showmen except in extreme cases. If a youth is injured or seriously ill at the time of the show or is involved in another activity with a non-flexible schedule at which their presence is mandatory, the youth may submit an application for a substitute showman. The substitute showman must be a Holstein junior member and approved in advance of the show by the advisory committee.

7. Production awards - There will be one for top milk and one for top CFP based on 305 day or less actual records. The awards will be based on records sent in with the initial entry. If an animal is substituted or does not qualify for the 4-H or FFA show, production information must be submitted to Trent Henkes and will be accepted until the start of the show.

8. For the Best Udder of Show, the judge will select one cow in each class, then the winner will be selected from that group.

9. Showmanship Age Divisions will be the same as the Iowa State Fair Youth Show. The junior division is for those who have completed 5th or 6th grades. The intermediate division are juniors who have completed 7th and 8th grades. The senior division is for juniors who have completed 9th grade and older. Please note that the usual age divisions for showmanship will be used at the district shows.

10. The Novice Show is open to anyone ages 5-11. Entry must be made by 7:00 a.m. on the day of the show at the Iowa State Fair Cattle Barn Office. The calf must be born after November 30, 2010. The class will be judged 25% on the calf and 75% on the showmanship of the individual exhibitor. All breeds will show together. The show will be divided into a junior and senior division. The age break will be determined at the show. Previous winners are not eligible to compete.

11. The State Holstein Junior Advisory Committee reserves the final and absolute right to interpret these rules of the Iowa Junior Holstein Show and will arbitrarily settle and determine all matters, questions or differences in regard thereto arising out of or in connection with the junior show. All possible rule infractions should be brought to the attention of the Junior Advisory Committee at least one hour before the
